SCOPE DECORATING LIABILITY WAIVER FORM

I acknowledge that by allowing *O'Shea's Aqua Dipp* to decorate my firearm scope, I understand that flooding may occur and I do not hold *O'Shea's Aqua Dipp* responsible for any damage related to the submerging of the scope in water. I acknowledge that a representative from *O'Shea's Aqua Dipp* has explained the procedure for the decoration and I am willingly allowing this process to take place even though my scope may be damaged.

I understand that scope manufacturers that make claims related to waterproof or water resistant scopes may not have indicated a total submersion of the product in water as covered under any said claim. I understand that if damage occurs, the manufacturer may void the warranty. I give *O'Shea's Aqua Dipp* permission to decorate my scope and fully understand the risks involved.
